

SensePlayer OCR

SensePlayer OCR is a modern multimedia player, portable scanning and reading solution, and a tactile remote control for your smart phone or tablet; offering intuitive navigation and operation with tactile keys rather than the traditional touch screen found on most modern mobile devices.

Classical and contemporary tactile buttons are paired with haptic, sound and speech feedback to provide efficient and instinctive operation for the visually impaired.

Innovative Smart Connection

Unique to the SensePlayer is an innovative Smart Connection function that allows you to use the tactile keyboard of the SensePlayer to navigate, operate, and enter text into your smartphone, with instant tactile orientation, resulting in more effective command and control without needing to explore your touch screen.

Portable OCR

SensePlayer includes a conveniently centered 13 megapixel camera, offering an intuitive, simple and intelligent scanning experience for a variety of printed materials, including books, brochures, newspapers, magazines and paper documents.

SensePlayer plays All The Things!

The SensePlayer can play back a variety of file types, including DAISY books, document files, music, video files, audio book files, Podcasts, and both FM and Internet Radio.

Capture your world in clear, realistic stereo!

Record a class lecture, musical performance, or capture special moments with your family and friends in true-to-life stereo clarity with the built-in stereo microphones, or external stereo mics, mixers and other sources via USB C.

Your Content Your Way

Listen to your books and media with precisely tuned stereo speakers or Bluetooth and auxilliary headphones and external speakers.

Hear your music the way you want to hear it with the SensePlayer's finely tuned EQ and Effect options. Read DAISY and document content or OCR results aloud using a wide variety of high quality, human-sounding Nuance Vocalizer Voices in multiple languages and dialects.

Download and Stream

Search for and download books and podcasts, or stream Internet Radio stations with 802.11ac and dual-band Wi-Fi (2.4GHz and 5GHz).

Convenient Accessible Utilities

SensePlayer offers additional convenient utilities including a File Manager, Calculator, Memo, Alarm, Stopwatch, Countdown Timer, and Sleep Timer.

Specifications

Product Name	SensePlayer OCR	SensePlayer
Dimension&Weight	64 x 130 x 14.5 mm (2.52 x 5.12 x 0.57 inches) & 140g (0.31 lbs)	
Memory	64 GB Storage (45GB available to user) Micro SD card slot supports up to 256GB	
Connectivity	Wi-Fi 802.11ac operating in both 2.4 GHz and 5 GHz Bluetooth 5.0 Low Energy, Supports multi connection USB Type-C 2.0, USB On-The-Go FM radio	
Interface	1 x USB Type-C 2.0, 1 x 4-pole Earphone Jack Stereo enclosure speaker, Stereo condenser microphone	
Battery	Rechargeable Li-Polymer 2300mAh (Rated: 8.74Wh) USB Charging 10W (5V 2A)	
OCR	13 MP camera, Capture, save and read, store as images and/or text	Not supported
